

The Alaskan Way Viaduct & Seawall Replacement Project

05.06

How Will Construction Plans Affect SR 99 Drivers and Transit?

No matter what construction plan is chosen, there will be significant disruptions to all SR 99 users.

	Southbound	Northbound
SR 99 Drivers Heading to or From Downtown		
Shorter Construction Plan	3 1/2 years	3 1/2 years
Intermediate Construction Plan	3 1/2 years	3 1/4 years
Longer Construction Plan	6 1/4 years	6 1/4 years
SR 99 Drivers Going Through Downtown		
Shorter Construction Plan	3 1/2 years	3 1/2 years
Intermediate Construction Plan	3 1/2 years	3 1/4 years
Longer Construction Plan	6 1/4 years	6 1/4 years
Drivers Heading To or From Ballard and Interbay		
Shorter Construction Plan	3 1/2 years	3 1/2 years
Intermediate Construction Plan	3 1/2 years	5 1/4 years
Longer Construction Plan	6 1/4 years	5 1/4 years
Transit		
Shorter Construction Plan	3 1/2 years	
Intermediate Construction Plan	5 1/4 years	
Longer Construction Plan	6 1/4 years
